

Request for Proposals

The Ann Arbor Thrift Shop requests proposals from qualified social service agencies, with designated 501(c)(3) status, to receive an Anne M. Hayes Grant, and/or a Community Impact Grant. The Anne M. Hayes Grant is from the income of the Anne M. Hayes Memorial Fund and will range from \$2,000 to \$5,000. One Community Impact Grant will be awarded to one agency in the amount of \$10,000.

You may apply for one or both of these Grants. Applications will be reviewed and considered separately. All applications are due by midnight, April 30, 2021. Applications received or postmarked after this date will not be considered.

Please note that only agencies serving clients within the Ann Arbor area are eligible for these grants. An agency is only eligible to receive an Anne M. Hayes grant every three years. All agencies are eligible for the Community Impact Grant this year in addition to their eligibility for the Anne M. Hayes Grant. Grant recipients may be asked to give a brief presentation to AATS membership.
